**DECLARATION WITH TRUE NAME  
OF DECLARANT REDACTED TO  
BE PUBLICLY FILED**

Action Filed: 03/14/2024  
Trial Date: Unassigned

1 \_\_\_\_\_  
2 I, [REDACTED], declare as follows:

3 1. I am a resident of the Tenderloin neighborhood in San Francisco and a  
4 plaintiff in the above captioned matter. I have personal knowledge of the facts set  
5 forth herein. If called as a witness, I could and would competently testify to the  
6 matters stated herein.

7 2. I am a native of San Francisco, a senior citizen and the mother of grown  
8 children. I work as a counselor. I have pulmonary and spinal conditions that make it  
9 difficult for me to walk. I live in the Tenderloin of San Francisco, in an apartment on  
10 Turk Street, between Jones and Leavenworth. My neighborhood has become  
11 disgusting and dangerous.

12 3. Crowds of drug dealers and users block the sidewalks around my  
13 apartment building. Encampments, stolen goods for sale, carts, disassembled  
14 bicycles, and other bulky items also obstruct passage. When I venture outside, I have  
15 no choice but to jaywalk, which is especially dangerous because my age and medical  
16 conditions make it difficult for me to avoid moving vehicles.

17 4. I see people inject and smoke narcotics on the sidewalks around my  
18 home. I must avoid people who scream and act erratically, or who are partially  
19 clothed or completely naked. I see people defecate in public. The sidewalks around  
20 my home are littered with garbage, human waste, and used drug paraphernalia.  
21 There have been so many overdoses that I often wonder whether a person lying  
22 prostrate on the sidewalk is dead rather than merely passed out. In sum, whenever I  
23 venture outside, I am always afraid and frequently mortified.

24 5. There is a storefront on my block, the 200 block of Turk Street, that is  
25 occupied by an organization. I have seen people affiliated with that organization  
26 hand out drug kits, *e.g.*, packets with foil, tubes and smoking devices, on the sidewalk  
27 in front of the storefront. Crowds gather when these handouts occur. When the  
28 people affiliated with the organization finish distributing the kits, they retreat inside

1 the storefront, locking the doors behind them. Chaos then ensues. People ingest  
2 drugs, become intoxicated and act erratically. I have observed other citizens try to  
3 discourage people from ingesting narcotics on the sidewalk, only to have people  
4 affiliated with the organization come out of the storefront and intercede, proclaiming  
5 that people have the right to use drugs in public.

6       6.       Around the corner from my apartment, on the 200 block of Leavenworth  
7 Street, are three markets that stay open all night. People gather in front of these  
8 markets, especially after dark. They completely block the sidewalk while selling,  
9 buying and using drugs and hawking stolen items.

10       7.       Because of all of the drug dealers and criminal activity in my  
11 neighborhood, I am fearful of retaliation if my name is publicly disclosed. I hope that  
12 my name could be kept confidential and only shared on an as needed basis. I feel that  
13 the situation in the Tenderloin is an emergency and that something must be done. I  
14 would probably move forward with my claims if the court ordered that my name be  
15 disclosed. However, I very much prefer and would feel safer if my name was kept  
16 confidential.

17       I declare under penalty of perjury under the laws of the State of California  
18 that the foregoing is true and correct to the best of my knowledge.

19       Executed on this 21<sup>st</sup> day of March, 2024, at San Francisco, California.
